

Welcome at La Mondiale Europartner

Experience in developing Wealth Management Solutions has been gained over many years and **La Mondiale Europartner** now operates in several EU countries including France, Luxembourg, Italy, Portugal, Spain, Belgium and the United Kingdom.

Our focus is mainly aimed at the cross-border aspects of Wealth Management, enabling us to produce unit-linked, multi-currency, multi-manager, multi-lingual - investment and pension solutions, something that few companies can offer.

The **Bond 4 European Mobility** product is dedicated to mobile investors, being cross-border compliant and governed by Luxembourg strong investor protection law whilst providing a tax efficient wrapper. Its open architecture with access to Euro Guaranteed Funds, Profiles, External Funds and the added option of accessing the Personal Client Portfolio via a discretionary manager gives exceptional investment choice.

The **La Mondiale Europartner** team based in Luxembourg has extensive knowledge of their respective markets and can offer competent, proactive and multi-lingual support.
